## Tilt Head CB Features

Front View

## Attaching the bracket to the tilt head quick release

Attach the bracket to the quick release by pushing in the push bar, and while holding the push bar in, slide the bracket into the quick release from the front. Figure #2 shows the bracket in the quick release.

Figure #10

Figure #11

## Attaching the Tilt Head CB to a monopod

Attach the Tilt Head CB to the monopod's 3/8"-16 mounting stud and tighten until firmly attached.

**\*\*\*\*\* Caution \*\*\*\*\***

If you are using a monopod with a 1/4"-20 mounting stud, you will need to purchase a 3/8" to 1/4" reducer bushing and install it in bottom of the Tilt Head's base.

*If you are attaching the Tilt Head CB to the Manfrotto 685B monopod and would like to prevent the Tilt Head from twisting on the monopod, see the accessory ATP (Anti-twist Pins).*

### ***Tilt Head CB Features***

The Tilt Head CB has many unique features. It is constructed from anodized aluminum for a lightweight and scratch-resistant finish. The tilt head has separate lock and drag knobs for better control. All knobs are captive to prevent loss. All of the fasteners are stainless steel to resist corrosion and black oxide for appearance.

### ***USA 5 Year Warranty***

For a period of five (5) years from date of purchase, Custom Brackets will repair or replace free of charge, any defect in material or workmanship. Warranty does not cover repairs due to abuse, negligence, impact or any modifications made by the customer. Excessive force unscrewing knobs will void warranty. Warranty service is available by returning the Tilt Head CB (shipping prepaid) to Custom Brackets. All returns must include a return authorization (RA) number (contact Custom Brackets to obtain), letter explaining the problem, and a copy of the sales receipt.

### ***International 5 Year Limited Warranty***

For a period of five (5) years from date of purchase, Custom Brackets will repair or replace free of charge, any defect in material or workmanship. Warranty does not cover repairs due to abuse, negligence, impact or any modifications made by the customer. Excessive force unscrewing knobs will void warranty. Limitation to the warranty - after year one shipping charges are not covered. Warranty service is available by returning the Tilt Head CB (shipping prepaid) to Custom Brackets. All returns must include a return authorization (RA) number (email [info@custombrackets.com](mailto:info@custombrackets.com) to obtain), letter explaining the problem, and a copy of the sales receipt.

### ***Repair***

Repair service is available by returning the Tilt Head CB (shipping prepaid) to Custom Brackets. All returns must include a return authorization (RA) number (contact Custom Brackets to obtain), letter explaining the problem, and a copy of the sales receipt. A repair cost will be issued and must be approved prior to any repairs. Shipping charges are the responsibility of the customer.

### ***Maintenance***

The Tilt Head CB is designed completely maintenance-free.
